IV. Plan Review Information

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below.

Plans are not required for the following:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.
2. Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

If work being performed is described above, check box below **"Plans Not Required."**

What is the rating of the service or feeder in ampere? _____

What is the building size in square footage? _____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plans Not Required

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

SIGNATURE OF LICENSEE OR OWNER	DATE

Complete Application on Back Side

VII. Fee Schedule - enter the number of items being installed, multiply by the unit price for total fee.

Item #17, Mobile Home Unit Site:

When installing a site service in a park, the permit application must include the application fee, service, the number of park sites and a final inspection. When setting a HUD mobile home in a park, a permit must include the application fee, service, feeder and a final inspection. These shall be done by a licensed electrical contractor. When setting a HUD mobile home or a premanufactured home on private property, a permit must include the application fee, service, feeder and a final inspection.

Total Fee (Must Include the \$50 non-refundable application and \$50 final inspection fees.)

VIII. Instructions for Completing Application

Make checks payable to "Laketon Township"

General: Electrical work shall not be started until the application for permit has been filed with Laketon Township. All installations shall be in conformance with the Michigan Electrical Code. **No work shall be concealed until it has been inspected.** When ready for an inspection, call our electrical inspector Jeff Johnson at 231-329-4465, providing as much advance notice as possible. The inspector will need the **job location** and **permit number**. **Schedule permitting, the inspector will respond to an inspection request within 2 business days to schedule the inspection. The inspector will typically perform the inspection within 5 business days as his or her schedule permits.**

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN 180 DAYS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED. THE CHARGE TO RE-OPEN A CLOSED PERMIT IS \$50.00.**

Where to Submit Application: Laketon Township is responsible for code enforcement in units throughout the township limits and for all public and charter school construction where a local delegation of authority does not exist. Permit applications for township issued permits should be sent to the address on the front of this application. Questions regarding code and issued permits may be directed to Chris Hall at 231-744-2454 or buildinginspector@laketon.org.
