

## Property Tax Information & Payments Available ONLINE!

Property Tax information is now available to you 24 hours a day 7 days a week via the internet! Any individual can access this information by creating a user name and password. Each individual will be able to access information for their own property at NO CHARGE and each additional property they wish to access information on will be charged a "per property" fee.

**NOTE:** All **searches** for records are **free**, **detailed information** is available on one parcel for **FREE** - (presumably to the property owner), if you wish to look up more properties and recieved detailed information, there is a per parcel fee. The fee is **\$2.00 per parcel** to view detailed record information.

To go to the property tax information website, type the website URL below into your web-browser or search engine.
