

**LAKETON TOWNSHIP
MUSKEGON COUNTY, MICHIGAN
(Ordinance No. 11021701)**

At a regular meeting of the Laketon Township Board held at the Township offices on February 17, 2011, the following Ordinance was offered for adoption by Township Board Member Mrs. Christina Achterhoff, and was seconded by Township Board Member Mrs. Cindy Zaagman;

**AN ORDINANCE REGARDING THE REGULATION OF MEDICAL
MARIHUANA, MEDICAL MARIHUANA DISPENSARIES, AND RELATED
USES AND ACTIVITIES**

THE TOWNSHIP OF LAKETON (Township") ORDAINS:

ARTICLE 1. PURPOSE AND INTENT

The voters of the state of Michigan adopted the Medical Marihuana Act, being Public Act 2008, Initiated Law 1, MCL 333.26421 *et seq.*, which became effective on December 4, 2008. That statute fails to regulate many aspects associated with the possession and use of medical marihuana, including, but not limited to, the distribution, sale, consumption, smoking and processing of medical marihuana. The Township Board finds that there are many negative impacts associated with the use and dispensing of marihuana (including medical marihuana) which can include burglaries, robberies, violence, increased vandalism, illegal sales of marihuana, and use of marihuana by minors and other persons without medical need. Furthermore, the unregulated sale and distribution of medical marihuana can create many problems in the areas adjacent to medical marihuana sales, usage or processing, including threats to the public peace and undermining of Township efforts to safeguard the health, safety and welfare of the

residents and property owners of the Township and the public at large.

ARTICLE 2. DEFINITIONS

The following words, terms and phrases shall have the following meanings for purposes of this Ordinance:

A. "Act" means the Michigan Medical Marihuana Act, Public Act 2008, Initiated Law 1, being MCL 333.26421 *et seq.*, as well as any and all amendments thereto, and also any legislation enacted into law to implement that statute.

B. "Marihuana" is also known as Marijuana and Cannabis.

C. "Medical Marihuana Dispensary" means any business, facility, association, cooperative, location, or operation, whether fixed or mobile, where medical marihuana is made available to, sold, delivered, transmitted, dispensed, or distributed by or to one or more of the following:

1. A primary caregiver (as defined by Michigan Initiated Law I of 2008, as amended, being MCL 333.26421 *et seq.*, as amended).
2. A qualifying patient (as defined by Michigan Initiated Law I of 2008, as amended, being MCL 333.26421 *et seq.*, as amended).
3. Members of the general public.

A medical marihuana dispensary shall also include any place, location, facility, or operation, whether fixed or mobile, where medical marihuana is smoked or consumed where either three or more persons are present and smoking or consuming medical marihuana, or where one or more persons are present and smoking or consuming medical marihuana and such medical marihuana smoking or consumption is occurring on the property of a business, association, cooperative, or commercial operation or facility or

on a public or government property.

A medical marihuana dispensary does not include the lawful dispensation of medical marihuana by a primary caregiver personally dispensing to not more than five (5) qualifying patients (as defined by Michigan Initiated Law 1 of 2008, as amended (being MCL 333.26421 *et seq.*, as amended), so long as the primary caregiver personally delivers the lawful amount of medical marihuana to the qualifying patient where the qualifying patient resides and is done in full compliance with not only the Laketon Township Zoning Ordinance and this Ordinance but all applicable Michigan and federal laws and regulations.

D. "Medical Use of Marihuana" is the acquisition, possession, cultivation, manufacture, use, internal possession, delivery, transfer or transportation of marihuana or paraphernalia relating to the administration of marihuana to treat or alleviate a qualifying patient's debilitating medical condition or symptoms associated with the debilitating medical condition, as defined by the Act.

No part of an accessory building, detached garage, pole barn or similar building or structure shall be used for the growing, processing, or distribution of marihuana.

The dwelling of the primary caregiver shall meet all building, housing, fire and local and state codes and ordinance requirements.

K. The growing, processing, distribution, sale and handling of medical marihuana shall comply at all times and all circumstances with the Act and any applicable regulations or requirements by the Michigan Department of Community Health or any other Michigan agency.

L. The residence for the primary caregiver shall be located more than 1,000 feet from any school, church or library as defined by Michigan law to ensure community compliance with federal "Drug-Free School Zone" requirements and to minimize negative impacts.

M. Not more than one (1) primary caregiver shall be permitted to grow, process or handle medical marihuana at or from a given dwelling unit.

B. Since federal laws are not affected by the Act or this Ordinance, nothing in this Ordinance is intended to grant, nor shall it be construed as granting, immunity from criminal prosecution under federal law.
